

Ari 't Hart International B.V.

"THE ORIGINAL"

CERTIFICATE OF AUTHENTICITY

You bought yourself an "ORIGINAL" Ari 't Hart reel; congratulations!

This reel has been designed and manufactured by Ari 't Hart International B.V. • ENEV B.V.

How to change spools:

Press the spool out with your thumbs. The holes in the frame are specially designed for this purpose.

Note: the reels can be changed from left to right hand. You need another spring for this. Please ask your dealer for assistance.

Very Important!!

When your reel is not in use, loosen its drag!

This product comes with a 20 years guarantee on all moving parts.

This guarantee will only apply in case of normal use.
